Stop, stop, stop polluting my sea!

I'm a fish and I live in the sea,

Please don't pollute my home for me.

Stop, stop, stop polluting my sea,

Put your plastic in the bin for free!

I am getting poorly from you,

The plastic, the rubbish and mess too.

I love to swim and see the ocean floor,

But with all of this plastic, I can't anymore.

Stop, stop, stop polluting my sea,

Put your plastic in the bin for free!

By Freddy the Fish.
